

[The paragraph starting on page 20, line 16 and ending on page 20, line 20 now reads as:]

A2
[Fig. 4 is a graphical representation of frequency bands of a frequency generating system for a dual-band mobile radio transceiver according to the invention which has two local-oscillator frequency bands but only one voltage-controlled oscillator as local oscillator; and--.

[Insert between page 20, line 20 and page 20, line 22 the following paragraph:]

A3
[Fig. 5 is a block diagram of a frequency generating system for a dual-bands mobile radio transceiver according to the present invention.--]

Add after page 25, line 5 the following paragraph:

A4
[Fig. 5 is a block diagram of a frequency generating system for a dual-band mobile radio transceiver according to the present invention, which has a single voltage controlled oscillator (VCO) connected to the transmitter and the receiver. The single voltage controlled oscillator has a resonator 20.--]
